## THE UNIVERSITY OF APPLIED SCIENCES BALTAZAR ZAPREŠIĆ

*There are currently over 3,000 students enrolled at our campuses which are located in Zaprešić, Biograd na Moru and Osijek. In addition, we continually welcome incoming students from various European countries. There is a very friendly atmosphere due to the relatively low number of students; therefore, meeting people and making new friends happens relatively quickly.*

*Zaprešić, which is about 3 kilometers from Zagreb, is a small town with about 24,000 inhabitants. With good infrastructure and multiple options for leisure activities (Lake Zajarki, Novi Dvori castle and park, hiking and biking regions, etc.), the area around Zaprešić offers high quality of life.*
